

Chemistry Student Recommendation Survey

Biological Sciences

Bio 1: Biology/HN Biology
Bio 2: AP Biology
Bio 2: Human Anatomy/Physio

Chemical Science

Chem 1: Chemistry/HN Chem
Chem 2: AP Chemistry
Chem 2: DE Chem

Physical Sciences

Active Physics
Physics 1
AP Physics 1
AP Physics 2
AP Physics C

Earth Sciences

Earth Science 1
Environmental Science (11/12)
ES 2: DE Environmental
ES 2: AP Environmental (AP ES)
ES 2: Oceanography
ES 2: Astronomy
ES 2: Geo/HN Geosystems

*Note: As you are deciding what class to take next year, please understand the requirements that are needed for an advanced diploma. You need 4 total Sciences from 3 different categories. The categories are listed above. So for your next two years in high school, you will most likely need to take a Science from the Physics category or the Earth Science Category. The courses marked with * do not count as a 3rd category.

Please complete the following survey honestly.

1. You are in Chemistry 1
 - Yes, and I have B or better (move to statement 2)
 - Yes, and I have C- or better (move to statement 3)
 - Yes, and I currently have a D+ or lower.
 - o You should consider taking the following:
 - ES 2: Geosystems
2. You are in Chemistry 1 with a B or better
 - Yes, and I am also in Algebra II or Algebra II Honors or Pre-Calc (move to statement 4)
 - Yes, and I am currently in Geometry with B+ or better
 - o You should consider taking one of the following:
 - Physics 1
 - ES 2: Honors Geosystems
 - Environmental Science (11/12)
3. You are in Chemistry 1 with a C- or better
 - Yes, and I am currently in Geometry and have a C or better
 - o You should consider taking one of the following:
 - Physics 1
 - ES 2: Honors Geosystems
 - Environmental Science (11/12)
 - Yes, and I am currently in Geometry and have a C- or lower
 - o You should consider taking the following:
 - ES 2: Geosystems
4. You are in Algebra II Honors with C or better or Pre Calc with a C or better
 - o You should consider taking one or more of the following:
 - AP Physics 1
 - Chem 2: AP Chem (B or better)
 - Chem 2: DE Chem
 - Bio 2: AP Biology
 - AP ES / DE Env Sci
 - ES 2: Honors Geosystems
 - Bio 2: Human A & P
5. You are in Algebra II Honors with a C- or better or Pre-calc with a C- or better, you should consider taking the following:
 - Physics 1
6. You are in Algebra II with a B or better
 - o You should consider taking one of the following:
 - AP ES / DE Env Sci
 - Environmental Science (11/12)
 - ES 2: Honors Geosystems
 - Physics 1
7. You are in Algebra II with a C- or better
 - o You should consider taking one of the following:
 - Physics 1
8. You are in Algebra II, Honors Algebra II, or Pre-Calc with a D+ or lower
 - o You should consider taking the following:
 - ES 2: Geosystems

After answering these questions review the **Science Skills Sheet** and circle the courses that apply to you and answer the skills questions for each course.

According to this **survey** and the **science skills sheet** I should take the following course(s)

- 1.
- 2.
- 3.
- 4.

I would like my teacher to recommend me for the following course(s)

- 1.
- 2.

(Student Signature)

(final teacher recommendation)
