Frequently Asked Questions

- How do I access Naviance for Parents and WeCare@school to update Emergency Care Information?

- Which browser should I use?
 - Schoology works best in Chrome, Firefox and Edge Chromium
- Why does the Schoology grade book not match the SIS grade book when I log into ParentVUE?
 - The Schoology grade book only has grades for assignments and assessments completed in Schoology. The SIS grade book is the grade book of record where all assignments and assessments are recorded.
