Textbook and Instructional Material Distribution - ALL STUDENTS

Due to the inclement weather and the automobile accident on Rolling Road, we are opening the instructional material distribution to all grade levels on Friday and Monday. The sessions are as follows:

- Friday September 18th 3:30pm to 7:00pm
- Monday September 21st 11:30am to 3:00pm
- Monday September 21st 3:30pm to 7:00pm

When you arrive, you enter the school grounds via the Tuttle Road entrance (next to the baseball field). Last name beginning with A through L will drive behind the school and last name beginning with M through Z will drive in front of the school.

We ask that you do the following things to help us in this process and stay within our social distancing guidelines.

1. Wear a mask in the car upon arrival
2. **Have a large sheet of paper with the Students First and Last name as well as student ID number**
3. Follow the traffic pattern set up on the school grounds
4. Information will be collected at first tent on the route
5. Materials will be distributed from the second tent.

Not all classes will be distributing materials. Many classes are using online materials for instruction.

During class, prior to the 17th, teachers who are planning to issue a textbook or course materials will notify their students.

If none of your child's teachers indicate there are materials to collect you do not have to come to the school.

Thank you, we look forward to seeing you!
