Second Semester Updates

The second semester has started. As many already know, Dr. Brabrand presented the return to school plan to the school board. The board voted to pause the plan until February 2nd. This has resulted a number of changes in schedules and plans for second semester. Below are some of the updates we have at this time.

- New Bell Schedule
 - The new bell schedule will start with a virtual option February 16th

Bell Schedule starting February 16th (until return in-person)		
Monday	Orange Days (T/TH)	Blue Days (W/F)
Student	1st: 8:20 - 9:35	2nd: 8:20 - 9:35
Support	3rd: 9:50 - 11:05	Learning Seminar: 9:50 - 11:05
Lunch: 11:15 - 11:50		
	5th: 12:05 - 1:20	6th: 12:05 - 1:20
	7th: 1:35 - 2:50	8th: 1:35 - 2:50

- There will be another bell schedule update once we return to school in hybrid mode. It is proposed at this time for 9th and 12th grade to return on March 2, 2021 and 10th and 11th grade to return March 9, 2021. Stay tuned for more information.

Curriculum Fair

To support the virtual environment, we have created a [Google Site](#) for our Course Curriculum. This site contains information on course offerings, Academy classes, and FCPS Online campus. Please take time to peruse the site, as it is a tool for identifying courses for the upcoming school year. Please note that you will need an @fcpsschools.net email address to access this site.

Academic Advising

This year counselors will be meeting with their students virtually during designated class time (Health and PE 9, 10, or US History) to confirm their course selection and discuss academic goals. Please reference the calendar that is on the Google Site to know when your student will be meeting with their counselor. Additionally, communication will be sent in the coming weeks regarding a Pre-Advising lesson conducted by School Counselors and teacher recommendations.

In preparation for the individual meeting please take time to explore the [WSHS Curriculum Fair Site](#) and enter your course selections in your SIS StudentVue account. The schedule for these meetings can be found on the site. Course selection sheets are available on the site for reference only and will not be collected. Parents will be able to view the courses students have selected using their ParentVue account. [CLICK HERE](#) if you need help accessing your ParentVue account.

To further assist with course selections, below is additional information regarding online campus, Dual Enrollment courses, and academy classes.

As you select classes for the upcoming school year, please consider the time commitment and expectations for each course that your student wants to take and your student's additional interest, activities and responsibilities. Balance is important to consider when striving for academic and personal success. Course selection is a collaborative process; students will need to seek the advice of their parents, teachers and school counselor to plan appropriately for the upcoming year in order to ensure success.

For general questions about courses please submit them through Schoology. To access the group please log into your Schoology account. The group is titled "WSHS Curriculum Fair". If you are a family coming from Lake Braddock or if West Springfield High School is not your base school, please submit your questions to WSSstudentservices@fcps.edu.

If you need a SIS Parent/Schoology account or are having trouble accessing your account please submit a ticket through this form: <https://goo.gl/forms/v6jttxTueZFCf1BF2>

For specific questions about a course placement for next year, please consult with the current teacher in that subject area. We look forward to working with you to design an educational plan that will meet the needs of your student.

New FCPSOn at home policy

- Restrictions have been removed that deny access to the Windows Control Panel
- All “roadblocks” for **printing** at home have been removed.
- There still may have issues where one device gets pre-loaded driver that works and another doesn’t
- **What is needed to update computers to new policy**
 - Bring the laptop to any FCPS school
 - reboot 3 times,
 - Log in.
 - Search for **cmd**. It should find **Command Prompt** app. Open it. A black window should appear.
 - Type in **gpupdate** then press Enter. When it is completed, you can shut down and go home.

Google Resource App in Schoology

The [Google Resource App](#) will be available for students by **8 am on October 5, 2020**. Students will have the ability to connect their Google Drives within Schoology. This will give students the ability to select Google Drive items to submit as part of assignments.

When students click **Submit Assignment**, they have three options in the new window:

- **Upload** - paste in a link to an existing file or create an audio/video recording
- **Create** - enter text directly into the text box
- **Resources** - select a Google Drive item directly from their Google Drives to import, or create new Google Drive items from within Schoology

Reminder: Students must [approve and connect](#) their FCPS Google Drive (fcpschools.net) with Schoology.

Restart, restart, restart

- Most all software issues can be fixed by Restarting. This is not necessarily the same as Shutting Down and Starting up. The first trouble-shooting step for any software issue should be to restart. Press CTRL+ALT+DEL. Select the power button icon from the very bottom right and choose **Restart**.
- If your computer is generally running slow, you should clean up Chrome and perform a command line restart.
 - **Clean up Chrome (should be your default browser)**
 - From the ... menu in Chrome, select **Settings**
 - Select **Advanced**
 - Select **Reset and clean up**
 - Select **Restore settings to their original defaults**.
 - Restart Chrome
 - **Command line restart**
 - Search for **cmd**. It should find **Command Prompt** app. Open it. A black window should appear.
 - Type in the following then press Enter. **Shutdown -r -f -t 5** (there are spaces between commands)
 - Your computer should restart. Please note if it appears to take longer than normal to restart. Longer is good.
 - Repeat if you still have issues. Sometimes this is required to return to a normal working state.

Welcome back Spartan Student Athletes!

Our goal is to continue providing athletic opportunities for our students in the safest possible manner. To that end, we ask for your help in a couple of critically important areas:

Please, do not send your child to practice or workouts if:

- *He/she complains of not feeling well and/or has any of the following:*
 - *Feeling feverish and/or having chills (if documented temperature/fever of 100.4F or greater)*
 - *A new cough not due to another health condition*
 - *Fatigue (more tired than usual)*
 - *Nasal congestion or runny nose*
 - *Headache*
 - *A new sore throat not due to another health condition*
 - *New chills not due to another health condition*
 - *New muscle pain not due to another health condition or that may have been caused by a specific activity such as physical exercise*
 - *New loss of taste or smell, new onset of poor appetite or poor feeding Abdominal pain, diarrhea, nausea, vomiting*
- *He/she has been exposed to an individual who has tested positive for COVID-19 or displays signs or symptoms associated with COVID-19*
- *He/she has been tested for COVID-19 and is awaiting results OR another family residing in the same house has been tested and is awaiting results*

The Virginia Department of Health (VDH) recently recommended the following: [*“During times of substantial COVID-19 activity VDH strongly advises athletes to wear masks at all times during group training, competition, and on the sidelines.”*](#)

Beginning Friday, December 11, students participating in FCPS athletic programs, to include in-season practices and competitions as well as out-of-season workouts, are required to wear masks during all aspects of athletic participation in all sports with the exception of wrestling, gymnastics and swim and dive.

With everyone’s help, we look forward to a successful season.
